Chris and Jessica,

I cannot find Ms. Roberts contact info, I must have recorded her name wrong.

Things you asked for:

Attached are some emails for your reading. Attached is also the training materials that I received in risk communication that I tried to follow. I was specifically trying to get to the color coding model described on page 5.

The Director of Utah Division of Water Quality is Walter Baker (wbaker@utah.gov).

Our main ATSDR contact is Chris Poulet (303-312-7013).

My main ASPECT contact was Mark Thomas (513-675-4753).

I just flat out forgot to include Aug 11 in my log. Not sure what happened there, I will try and rebuild that day next week.

M
